**This examination consists of 40 multiple choice questions, all are equally weighted.**

**II. QUALIFICATIONS APPRAISAL BOARD (QAB)**

Weight = 60%  
Pass = 70% or better

The QAB is an oral board exam. Unlike a job interview, the QAB is very structured with a select number of board members taking turns asking a set of structured questions. The same questions are asked of each candidate participating in the QAB for the open position. Clarifying questions are not permitted by the candidate or the panel members.
